LIST OF PLATES IN VOLUME XV.

PART I.

I. Relief Map of the Country between Commondale and
   Doubting Castle ... ... ... ... ... 12

II. Views looking up and down Ewe Crag Slack ... ... 14

III. Relief Map of the Northern Cleveland Watershed, between
    Danby Beacon and Kempston Rigg ... ... 16

IV. View of the "Double," Hare Dale. View looking up Hole
    Skew, Hare Dale... ... ... ... ... 18

V. Map of the Country round Stanghow ... ... ... ... ... 20

VI. Relief Map of the Country between Fen Bogs and Egton
    Bridge ... ... ... ... ... ... 22

VII. Intake of the Castle Hill Oxbow viewed from Moss Swang.
     Randay Mere Valley from the South ... ... 24

VIII. Newton Dale at Fen Bogs, viewed from Eller Beck ... ... 26

IX. View of Eller Beck and Fen Bogs from the North-west.
    View looking up Eller Beck from the intake of Newton
    Dale ... ... ... ... ... ... 28

X. Relief Map of the Robin Hood's Bay area ... ... 30

XI. View looking up Biller Howe Dale. Brown Rigg viewed
    from the West side of Jugger Howe Beck... ... ... 32

XII. Contoured Map of the Country between Hellwath and
     Cloughton ... ... ... ... ... ... 34

XIII. Relief Map of the Country from Wykeham to Seamer,
     showing the approximate form of the gravel beach
     and the deviation channels ... ... ... 36

XIV. Map of the Glaciers and Glacier Lakes of the Cleveland
    Area, with Boulder Records ... ... ... 50

XV. Sketch Map of part of Ribblesdale about Alum Pot ... 178

PART II.

XVI. Contour Map of the Cottingley Valley ... ... ... 220

XVII. Dry Valley near Bingley. Chellow Dean ... ... ... 222

XVIII. Section in gravel Delta at Leventhorpe. Lower Portion
       of Salter Royd Channel ... ... ... ... 224
