Forms of application and other information obtainable from the Hon Secretary.

The Society's Library is housed in the Brotherton Library, the University of Leeds. The Society's Librarian will supply information on reading and borrowing facilities.

Papers for Publication
Papers may be submitted for publication in the Proceedings by members and others. They are normally read at a meeting of the Society, though at the discretion of the Council the reading may be in title only. Short communications, of lesser substance than a paper but of more than local significance, may also be submitted.

Typescripts should be sent to the Hon Secretary to the Publications Committee.

Parts and Numbers (papers published individually) already issued and still in print may be bought from the Hon Librarian, from whom a list of available publications may be obtained.

Acknowledgement. Some of the Figures published in the Proceedings contain a grid. Unless otherwise specified, this grid is the National Grid taken from the Ordnance Survey map with the permission of the Controller of Her Majesty's Stationery Office.
