What is the Lyell Collection?

Launched in 2007 to celebrate 200 years of the Geological Society of London, the Lyell Collection is an online collection comprising the Society’s journal titles, Special Publications and key book series. Cutting edge science sits alongside important historical material, all captured and presented to the highest electronic standards and benefiting from the extensive functionality of HighWire Press’ platform.

With 230,000 peer-reviewed pages, 24,000 articles and nearly 1,000 volumes, the Lyell Collection is an invaluable tool for the researcher and student alike.

- Full text in HTML and PDF format
- Actively linking to cited references
- Free public access to alerts, search functions and abstracts
- Selected open access articles
- Hosted by HighWire Press

Individual access to the Lyell Collection?

Fellows of the Geological Society enjoy extensive access to Lyell Collection content, including:

- JGS, QIEGH, GEEA or PG (including the full archive – when subscribed to as your free or additional journal option)
- The historical Transactions of the Geological Society of London (1811-1856)
- The Books Archive (all Special Publications, Memoirs and Engineering Geology Special Publications published prior to the current and three previous calendar years)
- The option to access all current titles via the Full Book Collection

To find out more about becoming a Fellow visit www.geolsoc.org.uk/join

Library access to the Lyell Collection?

Access to the full content of the Lyell Collection is via a range of subscription options, or pay-per-view. See the table below for further details. Additional content added for the 2011 subscription year is included in Lyell Collection Complete subscriptions.

New Developments for 2011

Full functionality of H2O

All Lyell collection titles will have migrated to Highwire Press’ enhanced hosting platform, benefits include:

- advanced research tools
- cross journal alerts
- instant indexing
- inter-journal linking

New titles

Two new journal titles launched on the Lyell Collection in 2010 will be included for all 2011 subscribers to Lyell Collection Complete (LCC):

- Journal of Micropalaeontology
- Petroleum Geoscience

In addition, two new archival titles will be launched on the Lyell Collection in 2011 and made available to LCC subscribers at no additional charge:

- Transactions of the Edinburgh society
- Transactions of the Glasgow society
